

**MITCHELL**  
FURNITURE SYSTEMS

Extraordinary room setup flexibility is what you get with Mitchell Fold-N-Roll tables. Our selection of top styles ... round, square, oval, rectangular, hexagonal and octagonal ... gives you the ability to create room arrangements that maximize available space. Fold-N-Roll tables are available in a variety of wood grains or solid colors, letting you choose tops that complement any room decor. With Mitchell Fold-N-Roll tables, your facility becomes more versatile. You'll be able to accommodate small gatherings and major events.

**LIFT-OFF DEVICE**

All Mitchell Fold-N-Roll tables have Lift-Off Feature. When tables are in the open position, four supports automatically take over, firmly holding the table to a stabilized and stationary position.

**HEIGHT AVAILABILITY**

Adjustable heights from 22" to 29" in 1" increments. Fixed heights in 29" or 27". All positions lock securely for greatest strength and rigidity. Optional adjustable height from 29" to 36" (consult factory).
