Dear Mitchell Furniture:

I just wanted to let you know that I talked with Brimley Area Schools today on their order for the 10 Double Wall Mounted Cafeteria Units. This was done under my PO #101223. Brimley absolutely LOVES them!!! They said that they have them all installed and are very pleased and said that they look beautiful. They are very happy they decided to spend the money on them and finally get them ordered and couldn't be any happier. I just wanted to tell you.

Thank you again for all the help you gave me on this order. It's always nice to hear good feedback like this, so thank you again!

Thanks,

Tammy
