Dear Mitchell Sales Department:

This letter is written from a satisfied customer to let you know that your Mitchell NP PorTable Tables with Benches have been a fine addition to our cafeteria. We took delivery of your tables in May 2002 and have been satisfied with the operation and quality of the tables.

I might add that we wanted tables that would work well for our custodians. To be able to move them quickly and easily was a main consideration for the purchase of your product. Our custodial staff finds that they are simple to lift and a pleasure to use.

With many thanks for providing a fine table product.

Sincerely,

Caron Winston
Principal, Stone Avenue School
Jurupa Unified School District
