Dear Mitchell Sales:

I just wanted to drop you a note to let you know how satisfied we are with the purchase of the 20 – NP 12 29" Mitchell PorTable tables with Benches.

Bell Mountain Middle School opened in 2002. We took delivery of your tables in May of that year and have not had anything but good results from your product. As promised, the tables fold and roll easily. The locking system works fine. Our choice of the Banister Oak laminate has stood up well and looks very complimentary with our new cafeteria.

I understand that Mitchell has developed a new up-lock for the NP table. I would appreciate seeing a sample of this for possible consideration. Please send it to:

Diane Scott

Menifee, CA 92584

Thank you so much for handling this request and for providing such a good and serviceable product.

Sincerely,

Diane Scott
