Dear Mitchell Customer Service Department:

Just a brief note of appreciation! Visalia Unified School District took delivery of your Portable Tables with Benches this past August 2003, we have been very pleased with the service that they have provided.

One of our main reasons for purchasing your table was our concern for ease of use...being able to move the tables for cleaning purposes was important. Our custodial staff finds that they are simple to lift and a pleasure to use.

Thank you for a product that performs as we were told that it would. We expect that they will provide many years of service.

Sincerely,

Jeri Wheaton
