-
- S** **F** Recessed End Legs: Engineered for strength, durability, and seating comfort UniTable legs are made of 1" x 2" box steel "Tee" legs that are recessed, enabling 360° unencumbered seating
 - S** Center Security: 1/2" steel lock bar at the center of the table securely fits into 7 gauge vertical hinges while in user position, preventing table jackknife. 1"x 1" box steel uplock secures table when in upright position
 - S** **F** Handicap Accessible: Two end leg areas are recessed and have 20" D x 30" W x 28" H space
 - F** **C** Sanitary Top: High pressure laminate top & rigid plastic backer underneath are bonded to 3/4" - 45 lb. density board. A large color selection is available
 - F** Door Clearance: DUN and WO Tables easily fit through standard door width and height
 - C** Nickel Chromium or Black Powder Coat: DUN legs have chrome finish & other steel parts are powder coated jet black, WO legs are powder coated jet black. Both provide a durable finish that is longer lasting than other surfaces, have a nice appearance, are easy to maintain and keep clean
 - F** Mitchell Lift System: 4 torsion bars - one in each table leg provide controlled and uncomplicated lift assistance
 - F** **C** Adjusting Brace Rods: Every floor is different our brace rods can be field adjusted to bring table tops into the proper parallel relationship with the floor
 - F** **C** Non-mar Swivel Casters: Table end legs are equipped with large 4" (101.6 mm), non-floor marring, hard rubber casters that will move the table smoothly from storage into service
 - F** **S** Steel Channel Aprons: Each table and bench top is supported with two-parallel, full-length, 1.75" - "U" channel, smooth edge, cold rolled steel aprons that are end dressed to protect against rough edges
 - F** **C** Select an Edge: Choice of either DuraEdge™ extended vinyl bull nose for terrific bump resistance, or DuraBond™ sprayed-on Polyurea, moisture retardant edge
 - F** **C** Laminate: Hundreds of laminate choices from Wilsonart Design Series 1, Group 38 & 60 finishes - a surface designed for active use and easy maintenance. Choose a contrasting color for table and bench top
 - S** **F** **C** Air Craft Lock Nuts: Only the finest quality bolts and nuts are used at all pivot points. Lock nuts resist tampering and wont loosen over time, an extra measure of security
